Fearless Fourteen: A Stephanie Plum Novel (Stephanie Plum Novels) By Janet Evanovich

Personal vendettas, hidden treasure, and a monkey named Carl will send bounty hunter Stephanie Plum on her most explosive adventure yet.

The Crime: Armed robbery to the tune of nine million dollars. Dom Rizzi robbed a bank, stashed the money, and did the time. His family couldn't be more proud. He always was the smart one.

The Cousin: Joe Morelli. Morelli is Dom's cousin. He's also a cop. Less than a week after Dom's release from prison, Morelli has shadowy figures breaking into his house and dying in his basement. Meanwhile, Dom has gone missing...

The Catastrophe: Moonman. Morelli hires Walter "Mooner" Dunphy, stoner and "inventor" turned crime fighter, to protect his house. Morelli is low on cash. Mooner will work for potatoes.

The Cupcake: Stephanie Plum. Stephanie and Morelli have a long-standing relationship that involves sex, affection, and driving each other nuts. She's a bond enforcement agent with more luck than talent, and she's involved in this bank-robbery-gone-bad disaster from day one.

The Crisis: Ranger. Security expert Carlos Manoso, street name Ranger, has a job for Stephanie that will involve night work. Morelli has his own ideas regarding Stephanie's evening activities.

The Conclusion: Only the fearless should listen to *Fearless Fourteen* by Janet Evanovich.

Thrills, chills, and incontinence may result.

Editorial Review

From Publishers Weekly

Starred Review. Lorelei King returns to Trenton, N.J., to continue the misadventures of Stephanie Plum, intermittently successful bounty hunter. King is one of many to voice Janet Evanovich's successful series, but her voice can be heard above the crowd, especially when she's bringing the more colorful characters to life. Her former prostitute Lula can tear down walls with the force of her personality, and King gives professional security specialist (read mercenary) Ranger the measured tones of one who is always in control. Stephanie spends much of the book blue from a briefcase dye bomb. King's Plum accepts her blueness and responds to the reactions with indignity, ruefulness and eventually resignation. In addition to established favorites, Evanovich has thrown into the mix a 60-ish singer trying to hang onto fame who gives King plenty of scope for her Southern side. *Fearless Fourteen* becomes peerless fourteen with narrator King at the helm. *A St. Martin's hardcover (Reviews, May 19). (June)*

From [Booklist](#)

Our heroine, the irrepressible bounty hunter Stephanie Plum, finds herself watching over a goth teen called Zook, who is heavily into gaming, after his mom can't make bail and disappears (or has been kidnapped). A lot of people think there is stolen money buried in or near Officer Morelli's little house—that's Steph's Morelli, the cop who is her number-one boyfriend most of the time, or at least when the entrancing Ranger isn't nearby. The money is the reason behind Zook's mom's disappearance, and it's the tie that binds Evanovich's various plotlines, which carom about endlessly, not always resolving. Questions abound: Are Steph's sidekick, the plus-size Lula, and Ranger's man Tank really engaged? Ranger is working security for a fading but brassy pop star: How does Steph manage to get into and out of her reality show? Can Zook and his sidekicks protect Morelli's house—and Stephanie—with their homegrown weaponry (think potatoes as missiles)? Where else but Evanovich's fourteenth novel can a line like "it's raining money and popsicles!" actually make sense? Fans will be delighted, but others, who stumble into the series at this advanced point, may find themselves starved for backstory, so much so that they may need to go all the way back to *One for the Money* (1994). --GraceAnne A.
